We Love Our Country (China)

China is a country in Asia. Its capital is Beijing. The official animal of China is the panda. It is fat and big. Pandas are white and their eyes are black.

I like Beijing National Stadium most. It is amazing. Some Chinese singers held concerts at this stadium. My favourite Chinese food is Peking duck. It is delicious. Also, I like eating Chinese dumplings.

My favourite festival is Chinese New Year. I can get red packets. I like visiting Big Buddha with my family.

I am proud of being Chinese. I love our country – China.
