

# roll call

## Shun Lee Catholic Secondary School

On September 23, we had our 18th Swimming Gala. But this was no ordinary year, as the swim meet at our local swimming pool in Kwun Tong coincided with the 35th anniversary of the school.

More than one school record was broken during this year's gala - but everyone who competed, whether or not they were the best swimmers, were met with cheers and encouragement from spectators and other swimmers. It seemed like it didn't matter what the final results were for every race, because sportsmanship always came first.

Fifth former Fan Lok-kim shaved a whopping 33 seconds off the men's A-grade 200M Breast Stroke. Like a true sportsman, he waited for all the swimmers to finish so that he could congratulate his rivals. Everyone had so much fun, and we will look back on this day as one to remember.
